## ASPARAGUS SPECIALS 2008

"The young buds or branches boiled in ordinary broth, make the belly solube and open...  
boiled in white wine is good against the strangury, or difficulty of making water...  
It expelleth the gravel and stone out of the kidnies and helpeth pain in the reins..."

The garden asparagus nourisheth more than the wild, yet hath it the same effects  
in all the aforementioned diseases"
